Dear Kathy,

Thank you so much for the Radcliffe Club of San Francisco's generous donation of \$735 to the Harvard College Women's Center. We are so grateful for the ongoing support and interest of the Radcliffe Club of San Francisco, which allows us to implement our mission to promote gender equity, raise awareness of women's and gender issues, and develop women's leadership. The Women's Center benefits immeasurably from the investment of caring alumnae like you all. Thank you so much for your generosity, and best wishes for a wonderful new year!

Sincerely yours,
