The book for April will be *The Lincoln Highway* by Amor Towles. "...this mischievous, wise and wildly entertaining novel..." (New York Times). "Examining the dynamics of race, class and gender, Towles draws a line between the social maladies of then and now, connecting the yearnings of his characters with our own volatile era. He does it with stylish, sophisticated storytelling" (Washington Post). (BTW Amor Towles is the son of Holly Hollingsworth, Radcliffe 1959.)

The book for May will be *Pride and Prejudice*, as we continue to Jane Austen's second published work. "... the most joyful and life-affirming of Jane Austen's novels ..." (New York Times).
